

**Addition Number Stories****Family Note**

Before beginning this Home Link, review the vocabulary from the Unit 2 Family Letter with your child: **number story**, **label**, **unit box**, and **number model**. Encourage your child to make up and solve number stories and to write number models for the stories. Stress that the answer to the question makes more sense if it has a label.

*Please return this Home Link to school tomorrow.*

1. Tell someone at home what you know about number stories, labels, unit boxes, and number models. Write an addition number story for the picture. Write the answer and a number model.
