Fact Families and Number Families

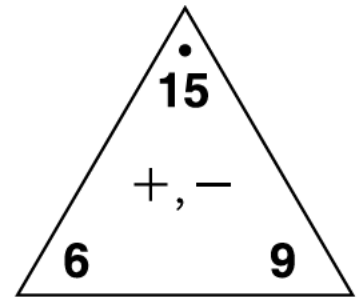

Family Note Work on fact and number families by focusing on related addition and subtraction facts. For example, $7 + 5 = 12$, $5 + 7 = 12$, $12 - 7 = 5$, and $12 - 5 = 7$.

Please return this Home Link to school tomorrow.

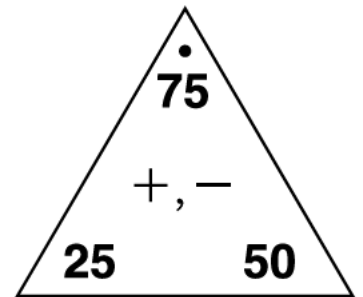

Show someone at home how to use a Fact Triangle.

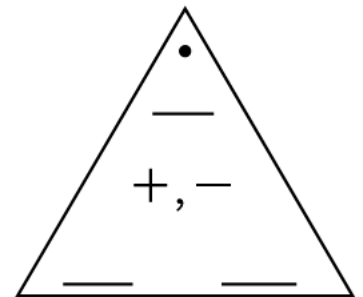

1. Write the fact family for the numbers 9, 6, and 15.
Write two addition and two subtraction facts.

2. Write the number family for 25, 50, and 75.

3. Make up one more fact family or number family and write it below.

Practice

Solve.

4. $8 + 2 =$ _____

5. $5 + 7 =$ _____

6. _____ $= 0 + 4$

7. _____ $= 1 + 9$
