

“What’s My Rule?”

Family Note

You can find an explanation of function machines and “What’s My Rule?” tables on pages 202–204 in the *Student Reference Book*. Ask your child to explain how they work. Help your child fill in all the missing parts for these problems.

Please return this Home Link to school tomorrow.

Practice facts and fact extensions. Complete the “What’s My Rule?” problems. Make up problems of your own for the last table.
