Subtraction & Multiplication Practice

Family Note

Ask your child to explain the counting-up and trade-first subtraction methods.
 Please return this Home Link to school tomorrow.

Make a ballpark estimate. Subtract and show your work. Check to see if your answer makes sense.

1. Use the counting-up method. _____
 (Ballpark estimate)

Unit

$$\begin{array}{r} 754 \\ -299 \\ \hline \end{array}$$

2. Use the trade-first method. _____
 (Ballpark estimate)

$$\begin{array}{r} 754 \\ -299 \\ \hline \end{array}$$

Multiplication. Write facts that you know.

3. $\times 2$ facts

$$4 \times 2 = 8$$

4. $\times 3$ facts

5. $\times 4$ facts
