

Mystery Numbers

Family Note Help your child find each missing number by using all the clues. Then help your child create more clues for two other mystery numbers.

Please return this Home Link to school tomorrow.

Find each missing number. Here are your clues.

Greater Than	Less Than	More Clues	Mystery Number
20	101	a 3-digit number	
197	200	any odd number	
67	80	has a zero in the ones place	
40	50	has the same digit in the tens place and the ones place	
917	1,072	has the same digit in the ones, tens, and hundreds places; has 4 digits	
996	1,015	a 3-digit even number	

Make up mystery-number puzzles. Write some clues and ask someone to find the numbers.
