

Spelling - #1-9

Sentence Starters

Directions: Select 9 sentence starters from the list below to create 9 sentences using your Spelling words #1-9. Each “starter” can only be used once on this sheet. Remember that your spelling words should be in order as they are listed on your Spelling Word List. (So, if you are on #7 for example, it should include the 7th Spelling word).

Whenever...**Along...****There...****After...****Since...****Before...****Once...****When...****Although...****Why...****In...****Who...****Where...****Across...****Down...**
